

# Great Plains Yearly Meeting

## Children's Epistle

This is the report from the Young Friends Group of GPYM 2018.

We met at the First Assembly of God building. We played board games, basketball, foosball, carpet ball and air hockey. We also read Daniel Jaz. We went to the pool on Friday afternoon and we had lots of fun, even though most of us got sunburns. At the pool we played volleyball, basketball. Many of us jumped off the diving board, even Tanner. That same afternoon we estimate that we ate 1 ½ gallons of ice cream. We had 12 participants, the average age was 11 and the cumulative age was 128.
